

NEW! Product for hire.

Solar Panels

Make your site sustainable without CAPEX!

Top Benefits!

- ☑ Achieve site sustainability targets
- ☑ No large capital outlay
- ☑ Installation managed by Ausco
- ☑ Hireable solution with monitoring capability
- ☑ Part of a total power solution with options for batteries, hybrid generators or grid connection

Inclusions

- > Project management of transportation to site and installation
- > Monitoring systems
- > Grid connection approvals (if required)
- > Roof for small footprint or ground mounting for larger sites

Achieve your site's sustainability targets through hiring Ausco's new solar panels. Once the project is finished, simply off-hire the panels.

Visit our website www.ausco.com.au for more information on our 360° Solutions range of products and services.
